FREQUENTLY ASKED QUESTIONS REGARDING THE 2006 ...

The International Code Council is offering free online access to some of their I-codes. These free eCodes have limitations such that there are no search or print capabilities, though all the sections of the codes are available. For specific jurisdictions multiple editions of codes are presented.

Free ICC Building and Fire Codes Online - Klausbruckner

The International Building Code (IBC) and the International Fire Code (IFC) are compatible US-based model codes in the sense that other jurisdictions may adopt and adapt them.. They have been adopted in most of the United States and territories such as the US Virgin Islands. However, despite their misleading titles, the codes cannot be said to be international in any sense, since they have not ...
