**5 Tips for Making Your Audit Less Stressful - Baptist Bulletin**  
Mistakes happen, but an audit evaluates whether the proper controls (checks and balances) are in place to help the church do everything it can to avoid mistakes. An audit is very detailed and can be expensive. A review is much less detailed than an audit, applying analytical procedures to financial data, and consisting of inquiries to personnel. A review, while substantially less in scope than an audit, is also performed by a CPA and still provides an examination of the church's financial ...
